

LARP CENSUS 2014 – POLAND

MADE BY AARON VANEK & RYAN PADDY
PRESENTED BY DOMINIK DEMBINSKI

Who answered the Census?

Who answered? Methods of gathering data.

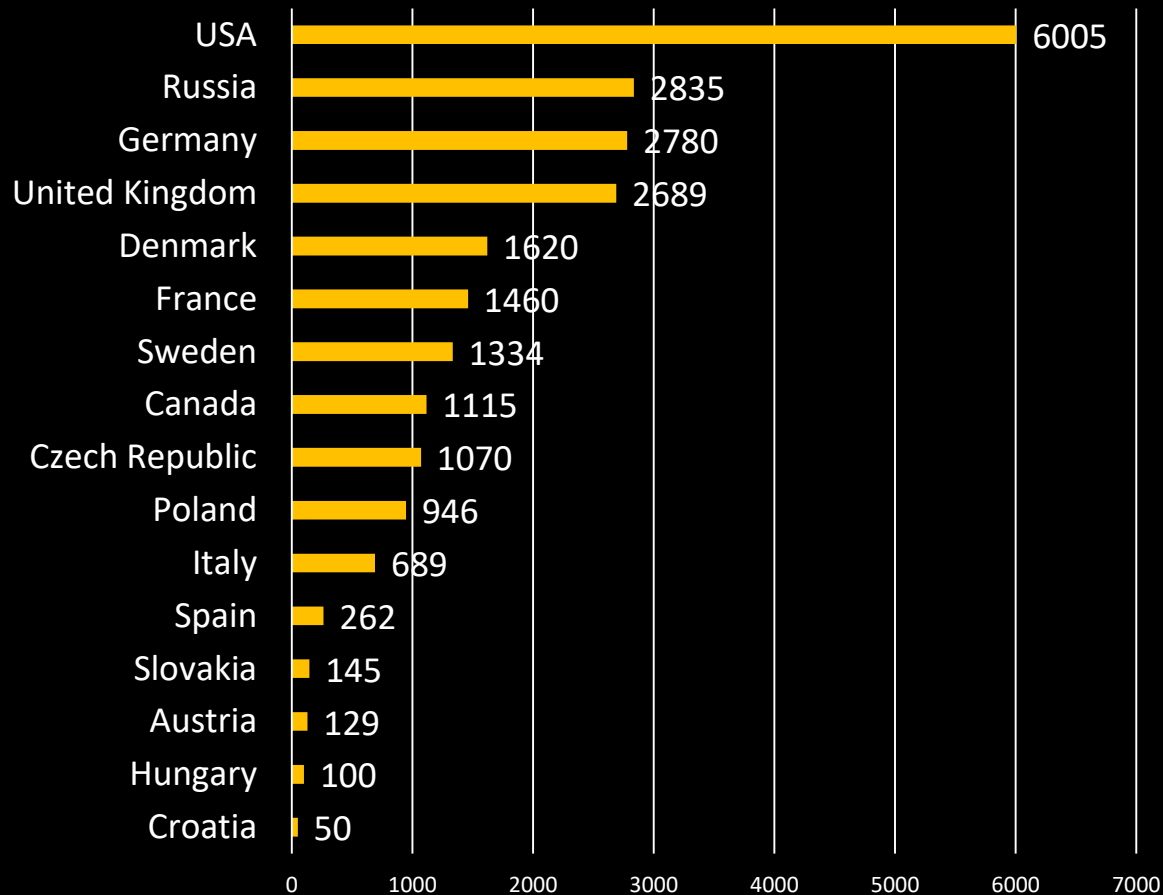

- Spreading through social networks (Facebook, twitter, other)
- Larpcensus.org
- Spreading through larp related websites (larping.org)

The way we gather data influences the outcome.

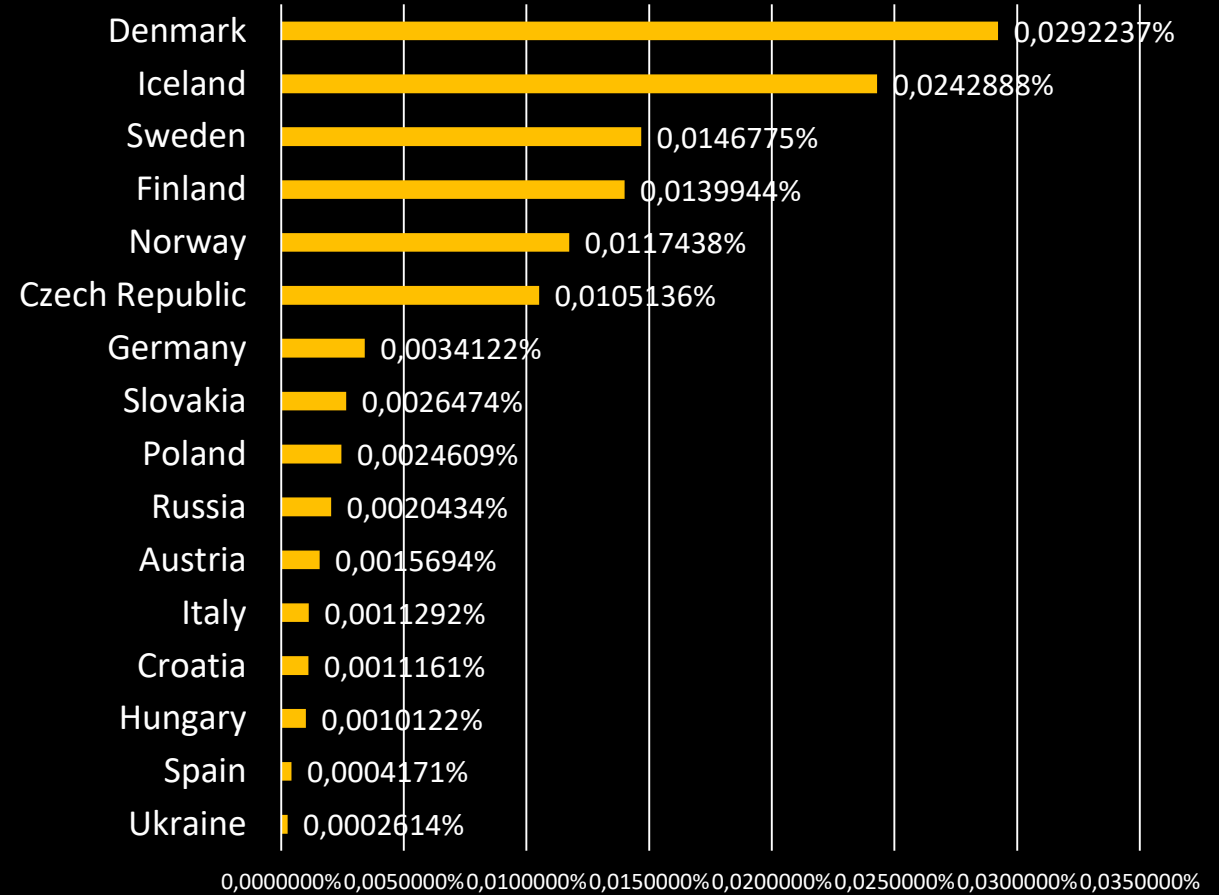

This census is **NOT** representative.

Who answered[...]? – National differences

Count of answers

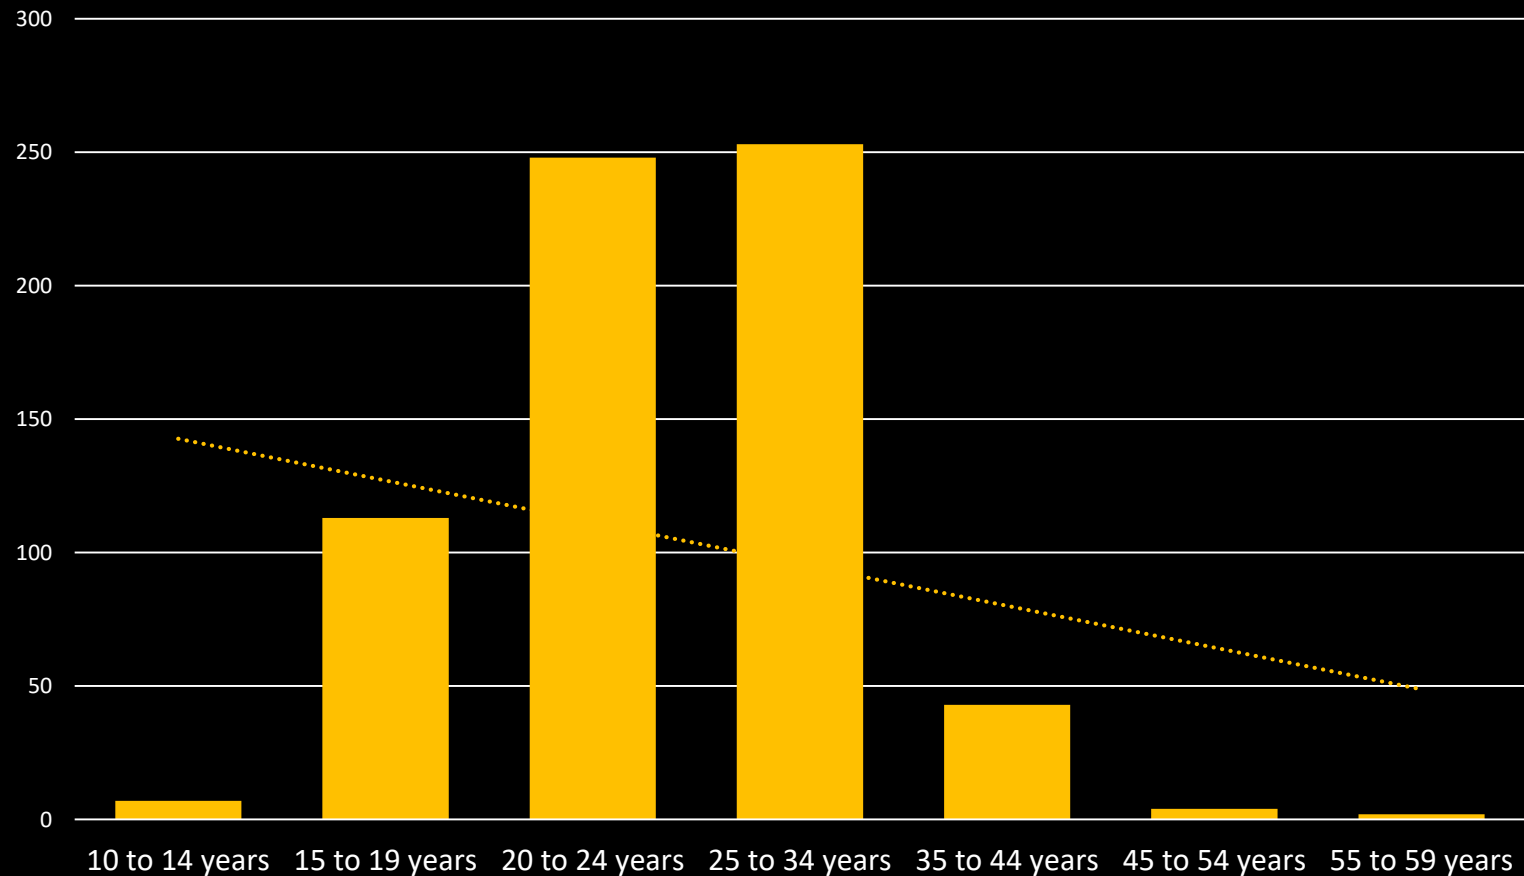

% of population

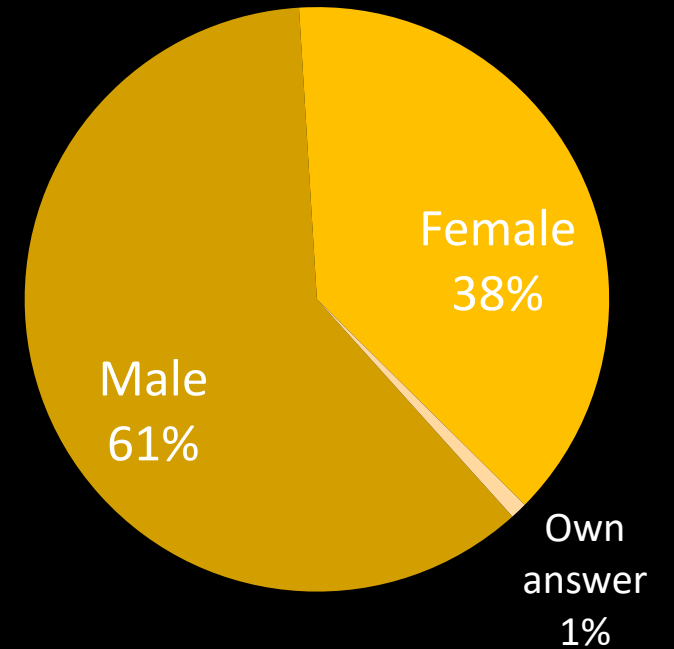

Who answered[...]? – Demography, Poland

Age

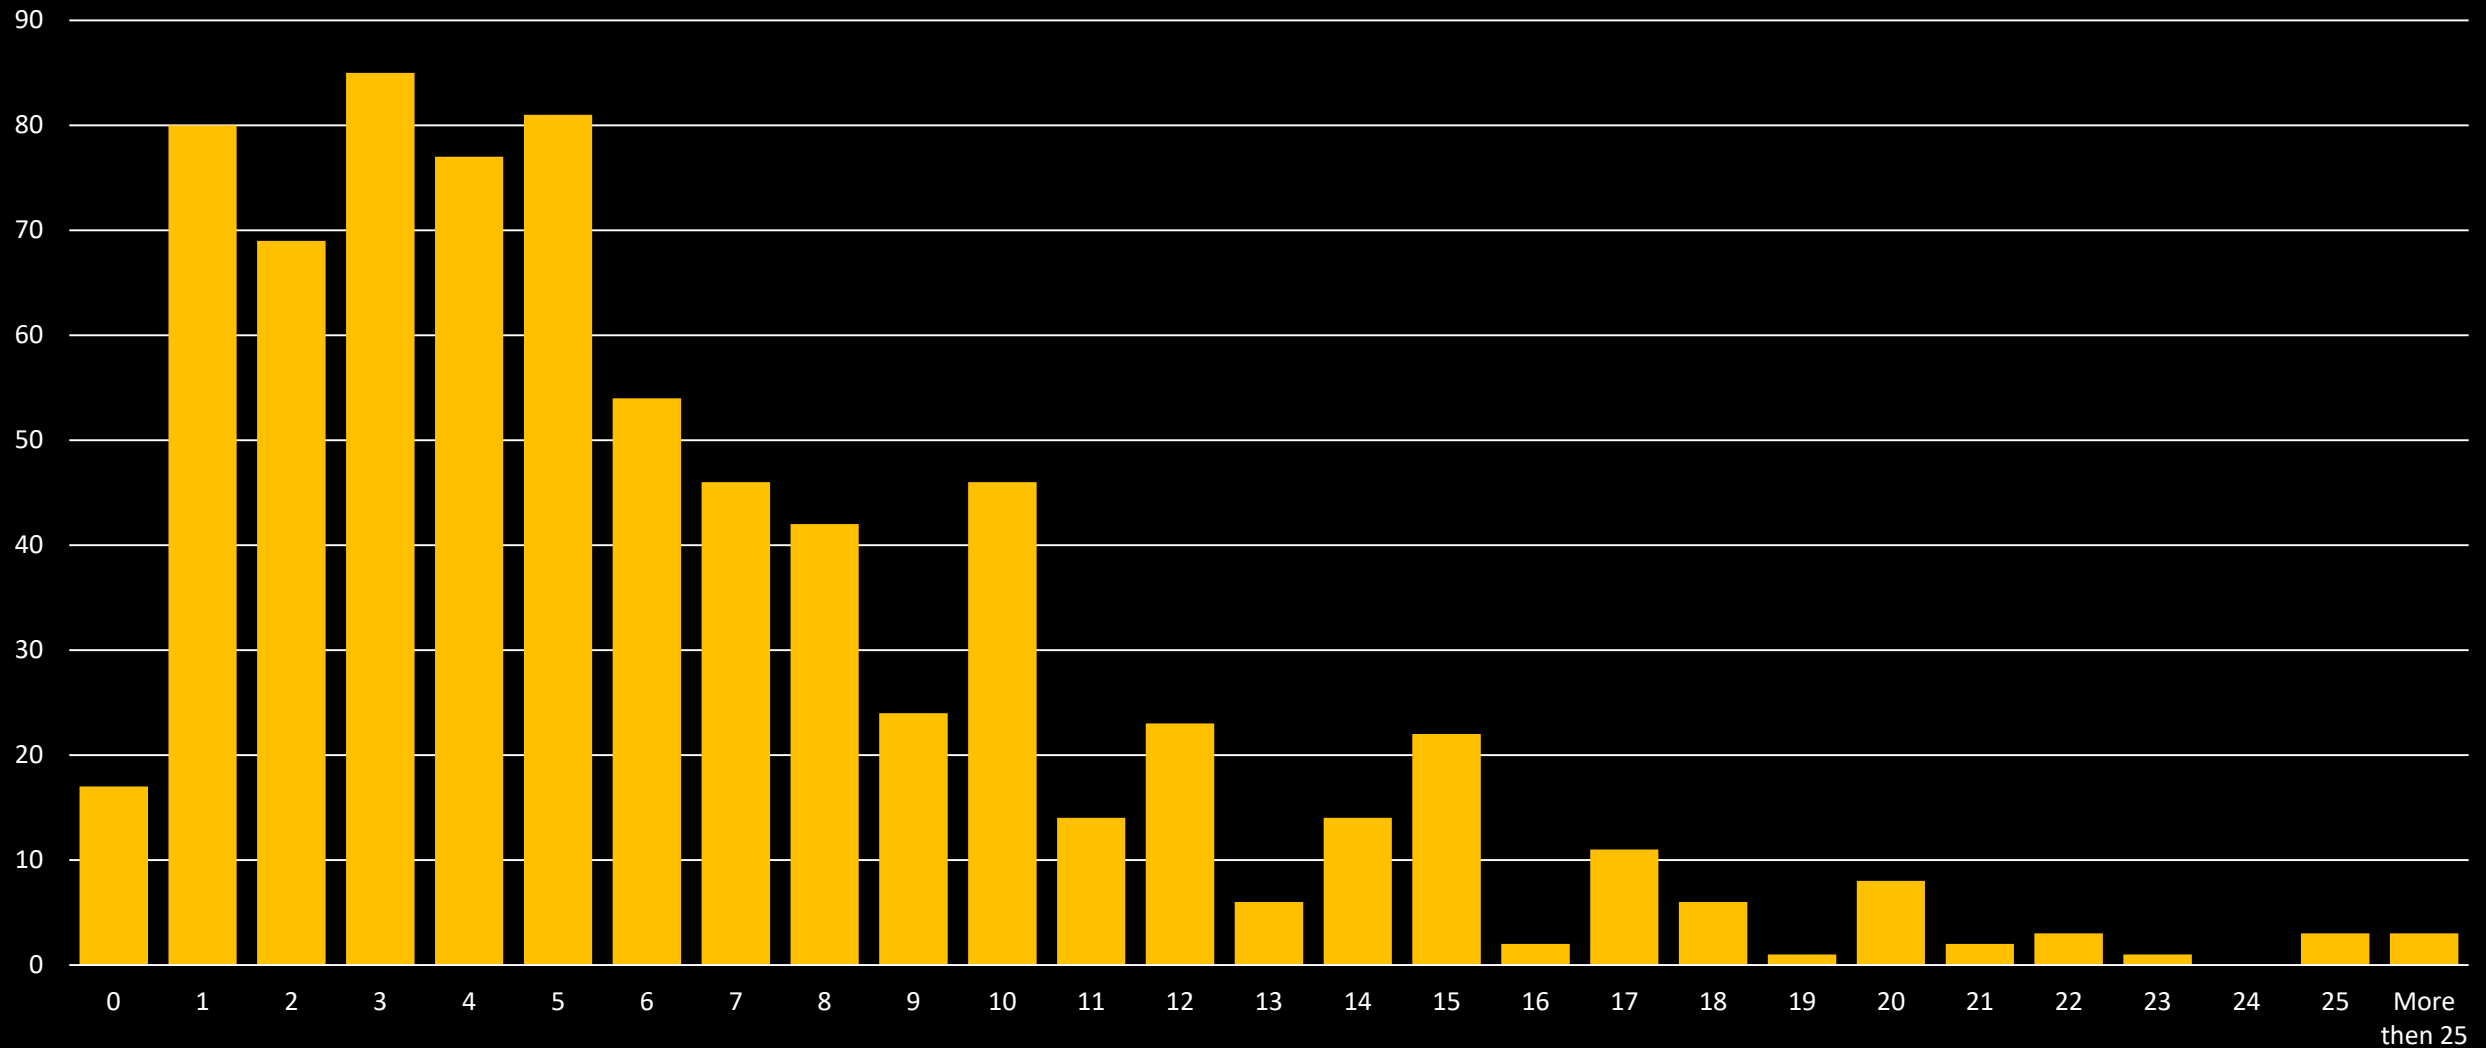

Płeć

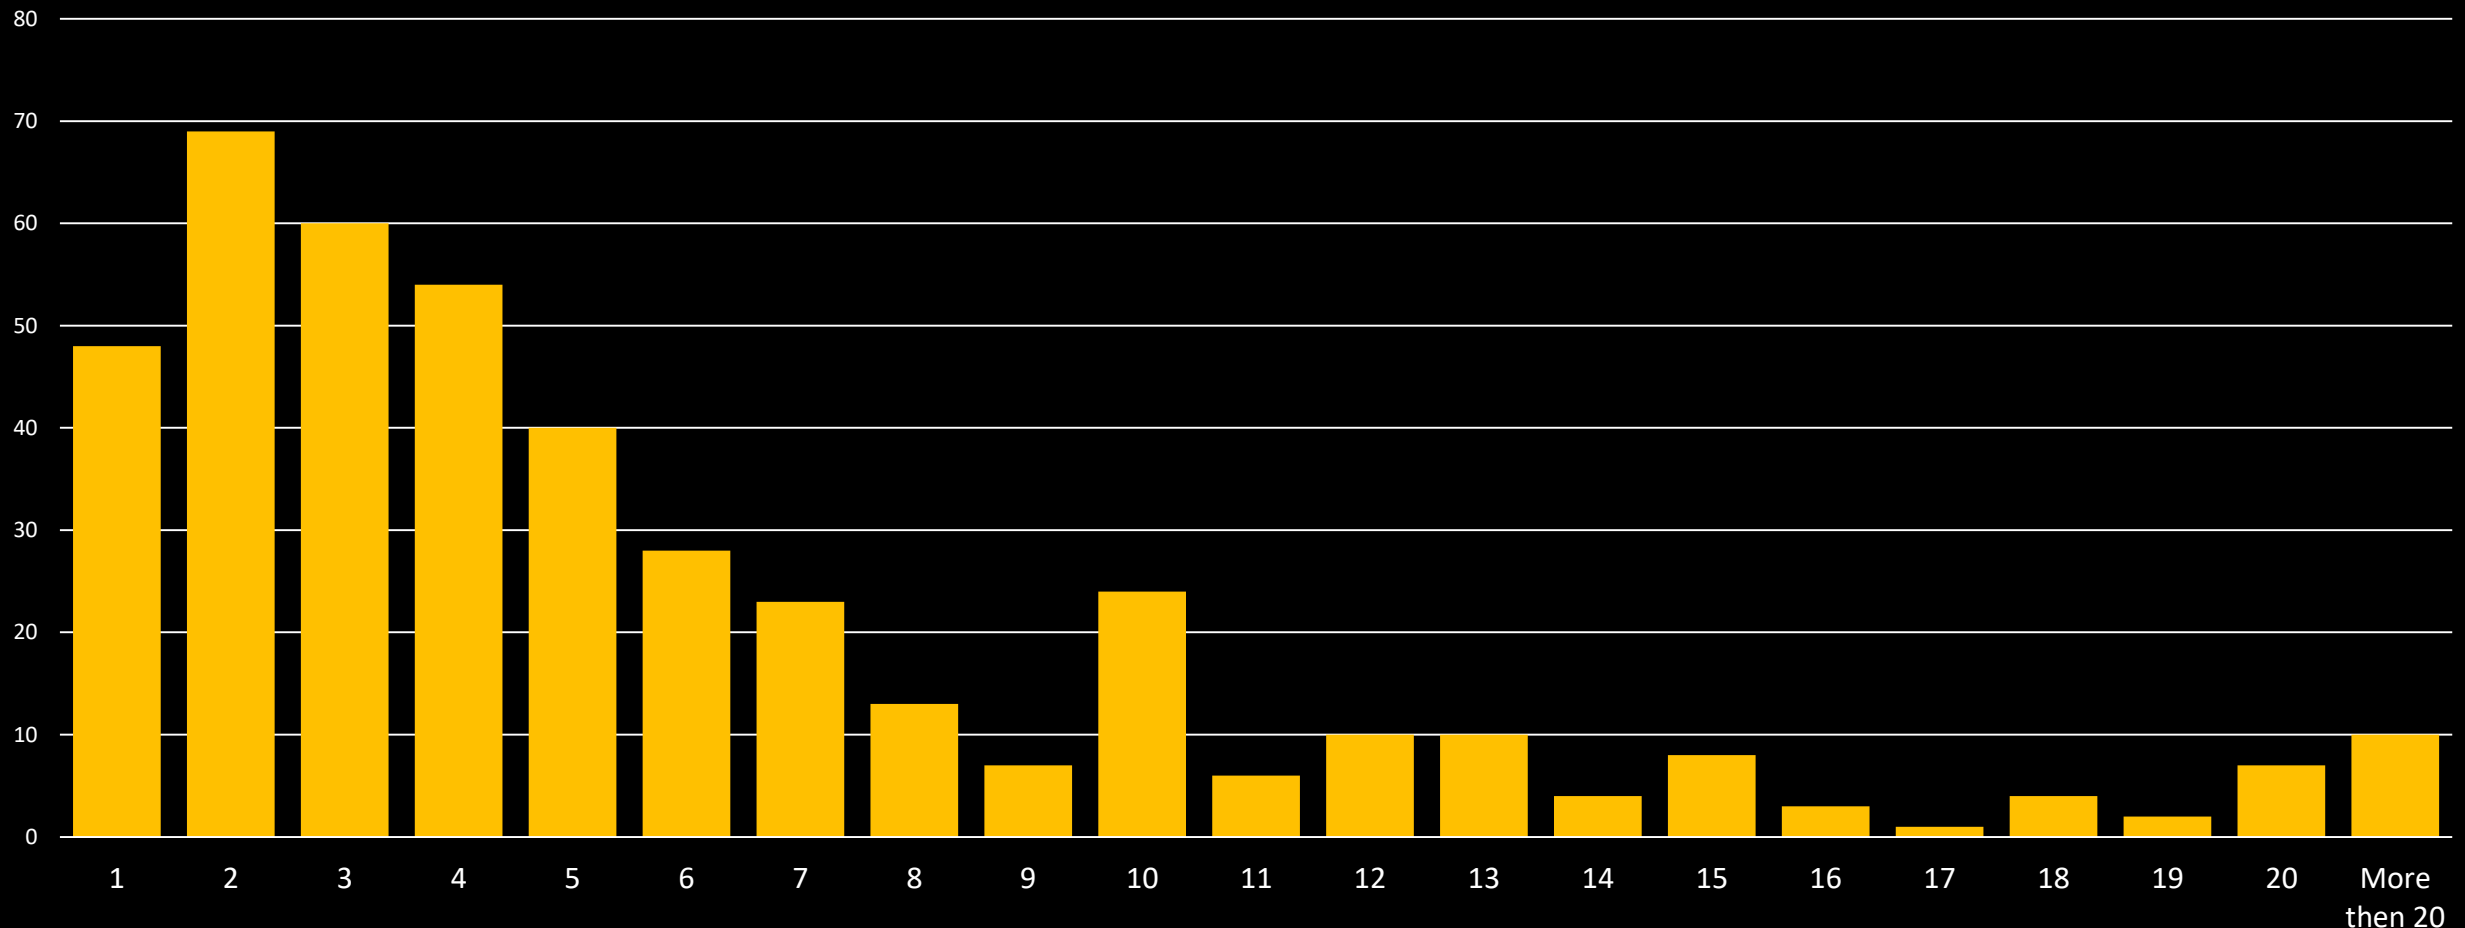

The player

For how many years do you play larp?

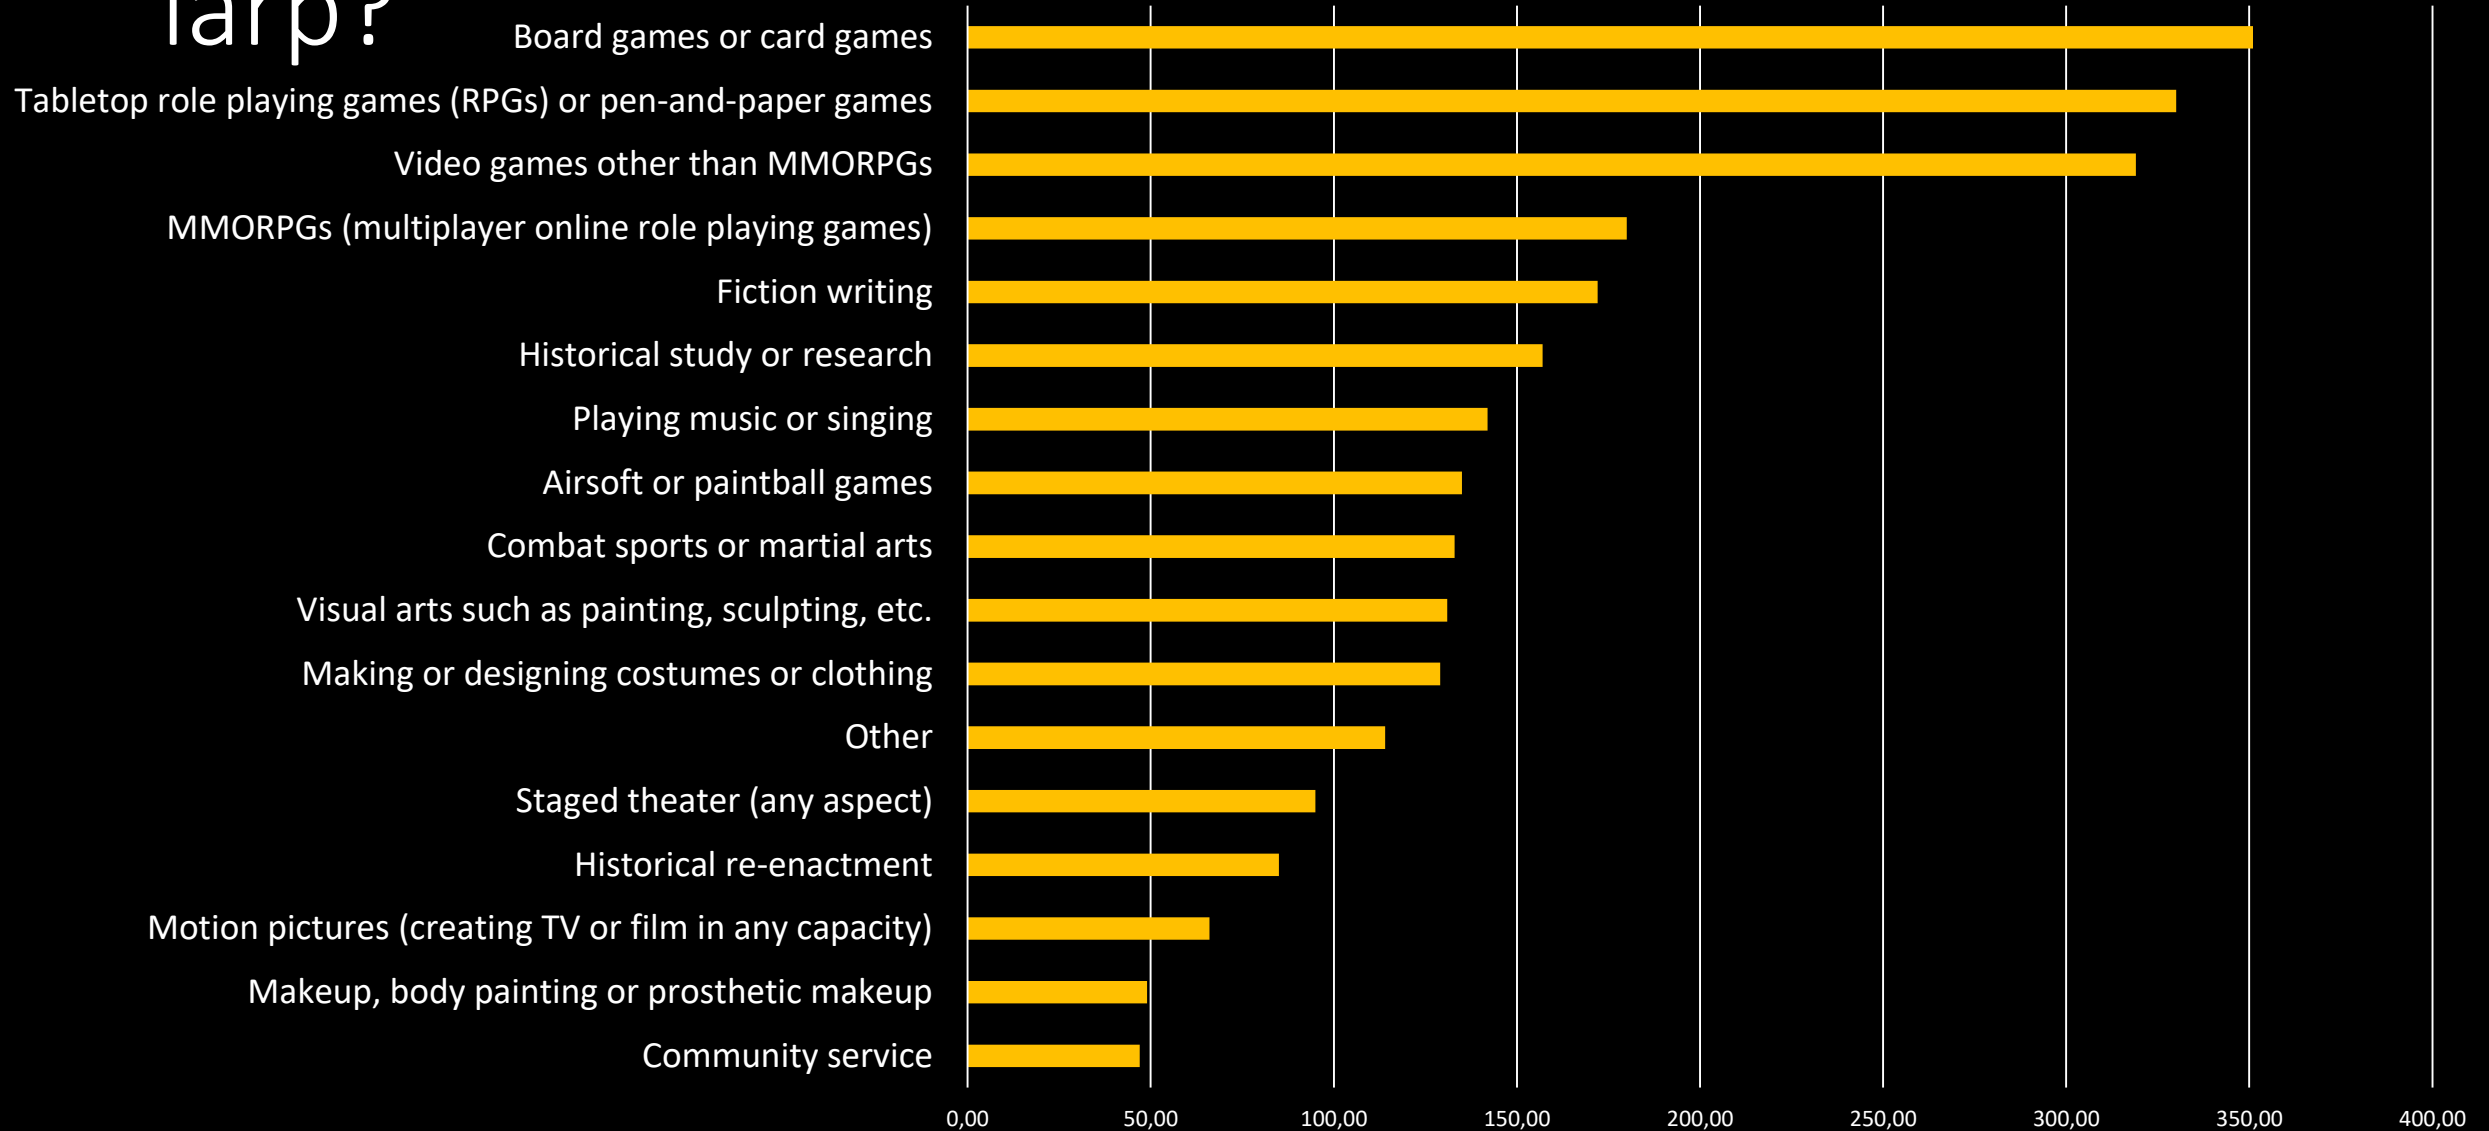

In the last 12 months, in how many larp events have you participated?

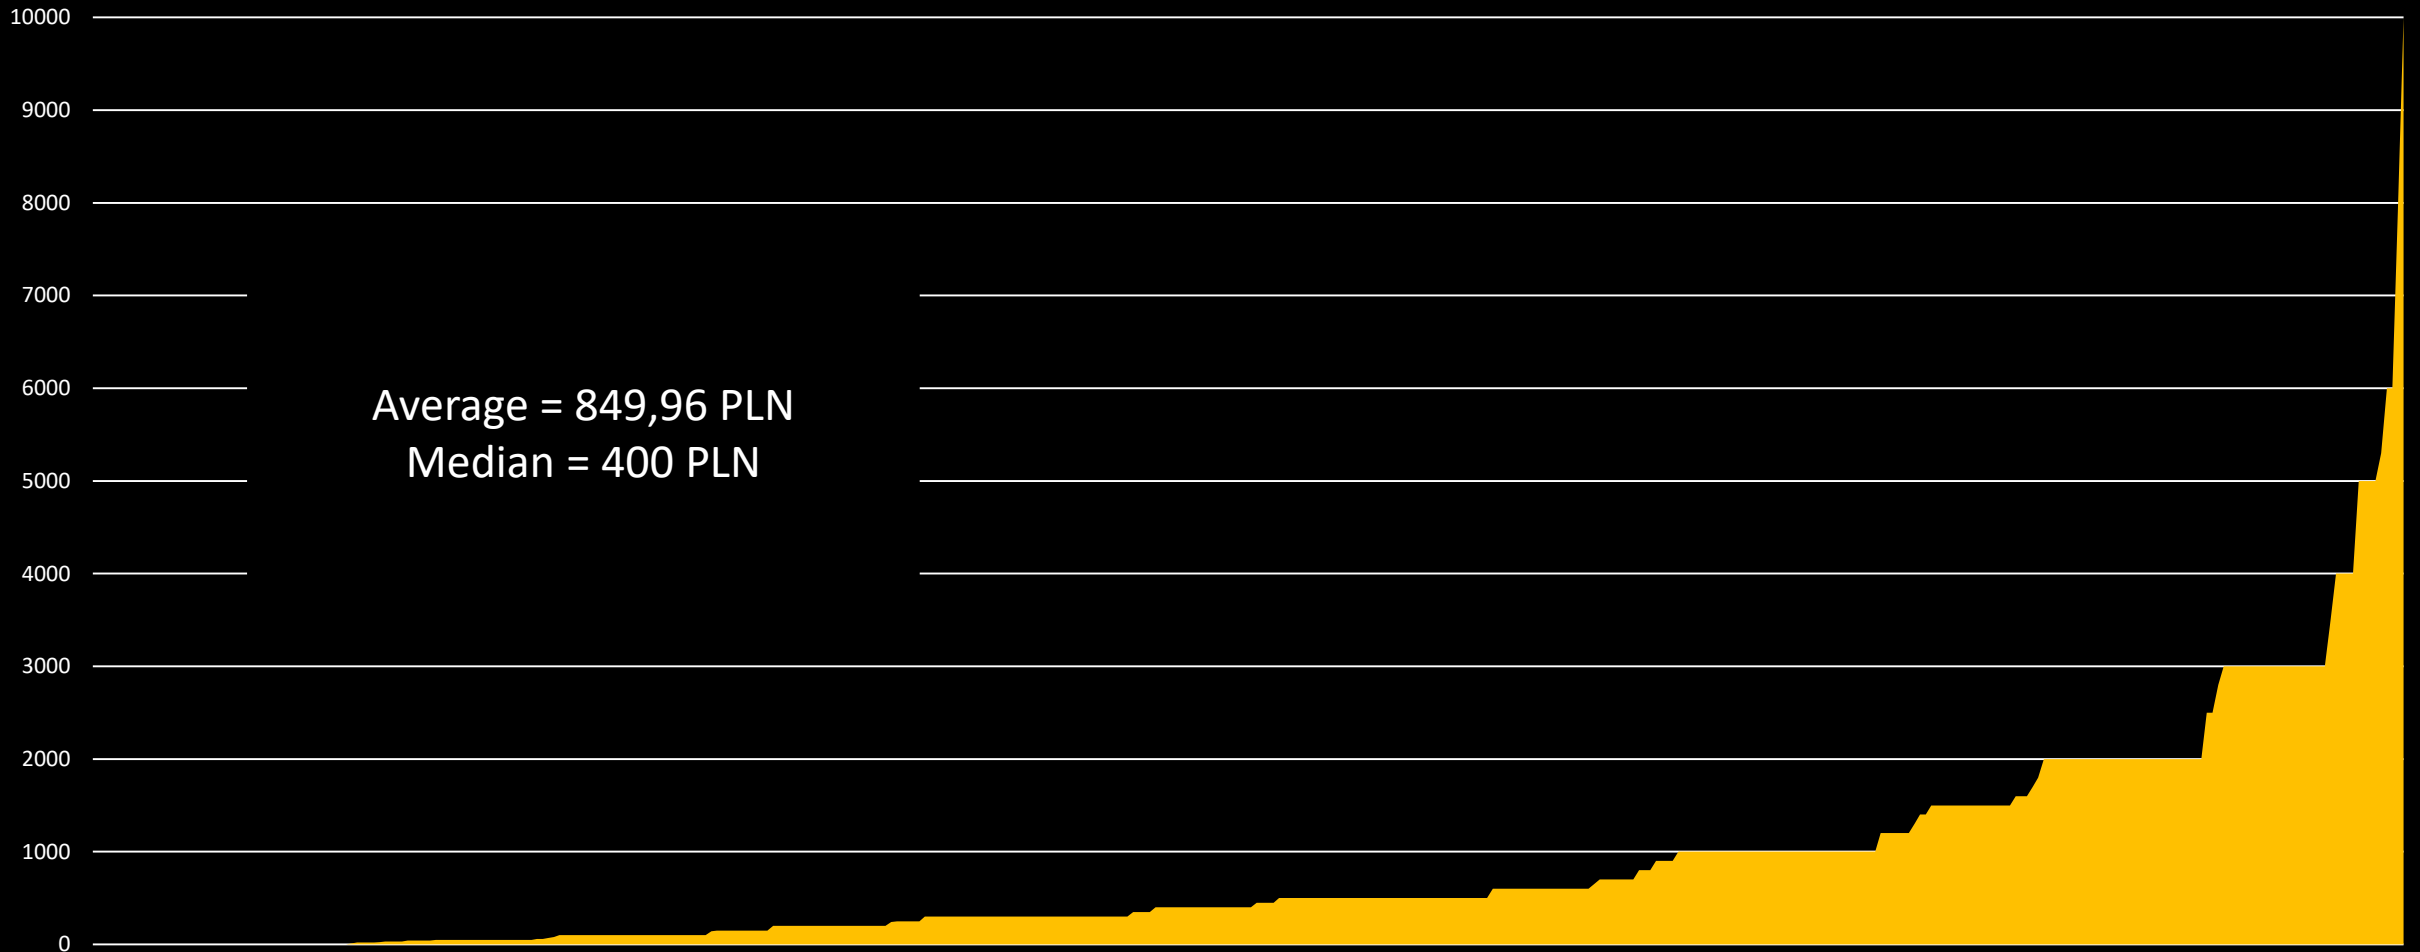

Please count gatherings where multiple larps are run, such as a convention, as a single event. Count each session or chapter of a campaign larp separately.

What other interests do you have outside of larp?

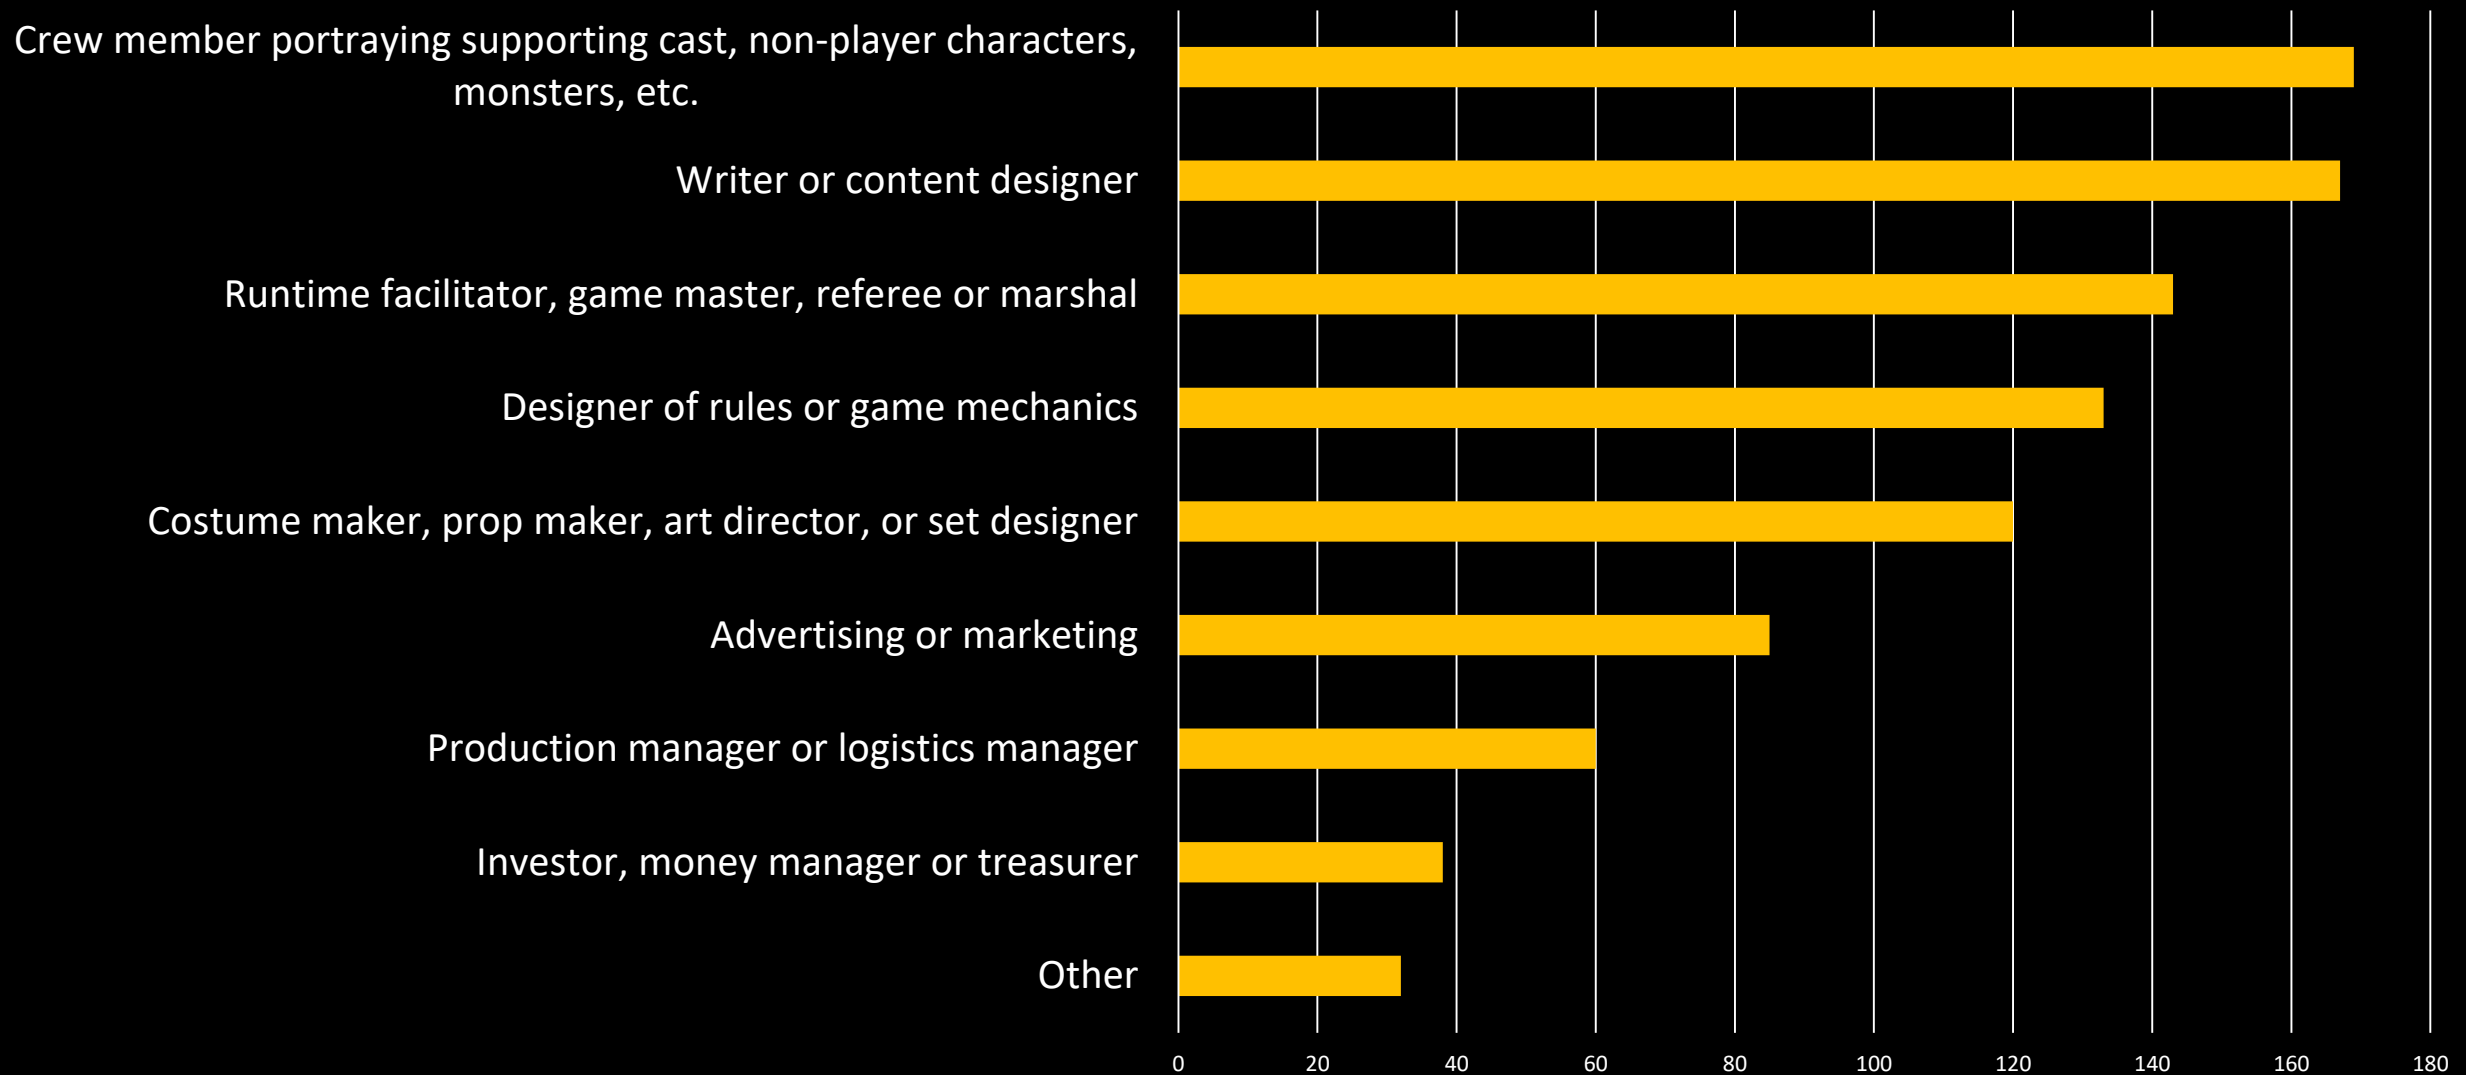

In the last 12 months, approximately how much of your own money did you spend on larp or larp activities in total?

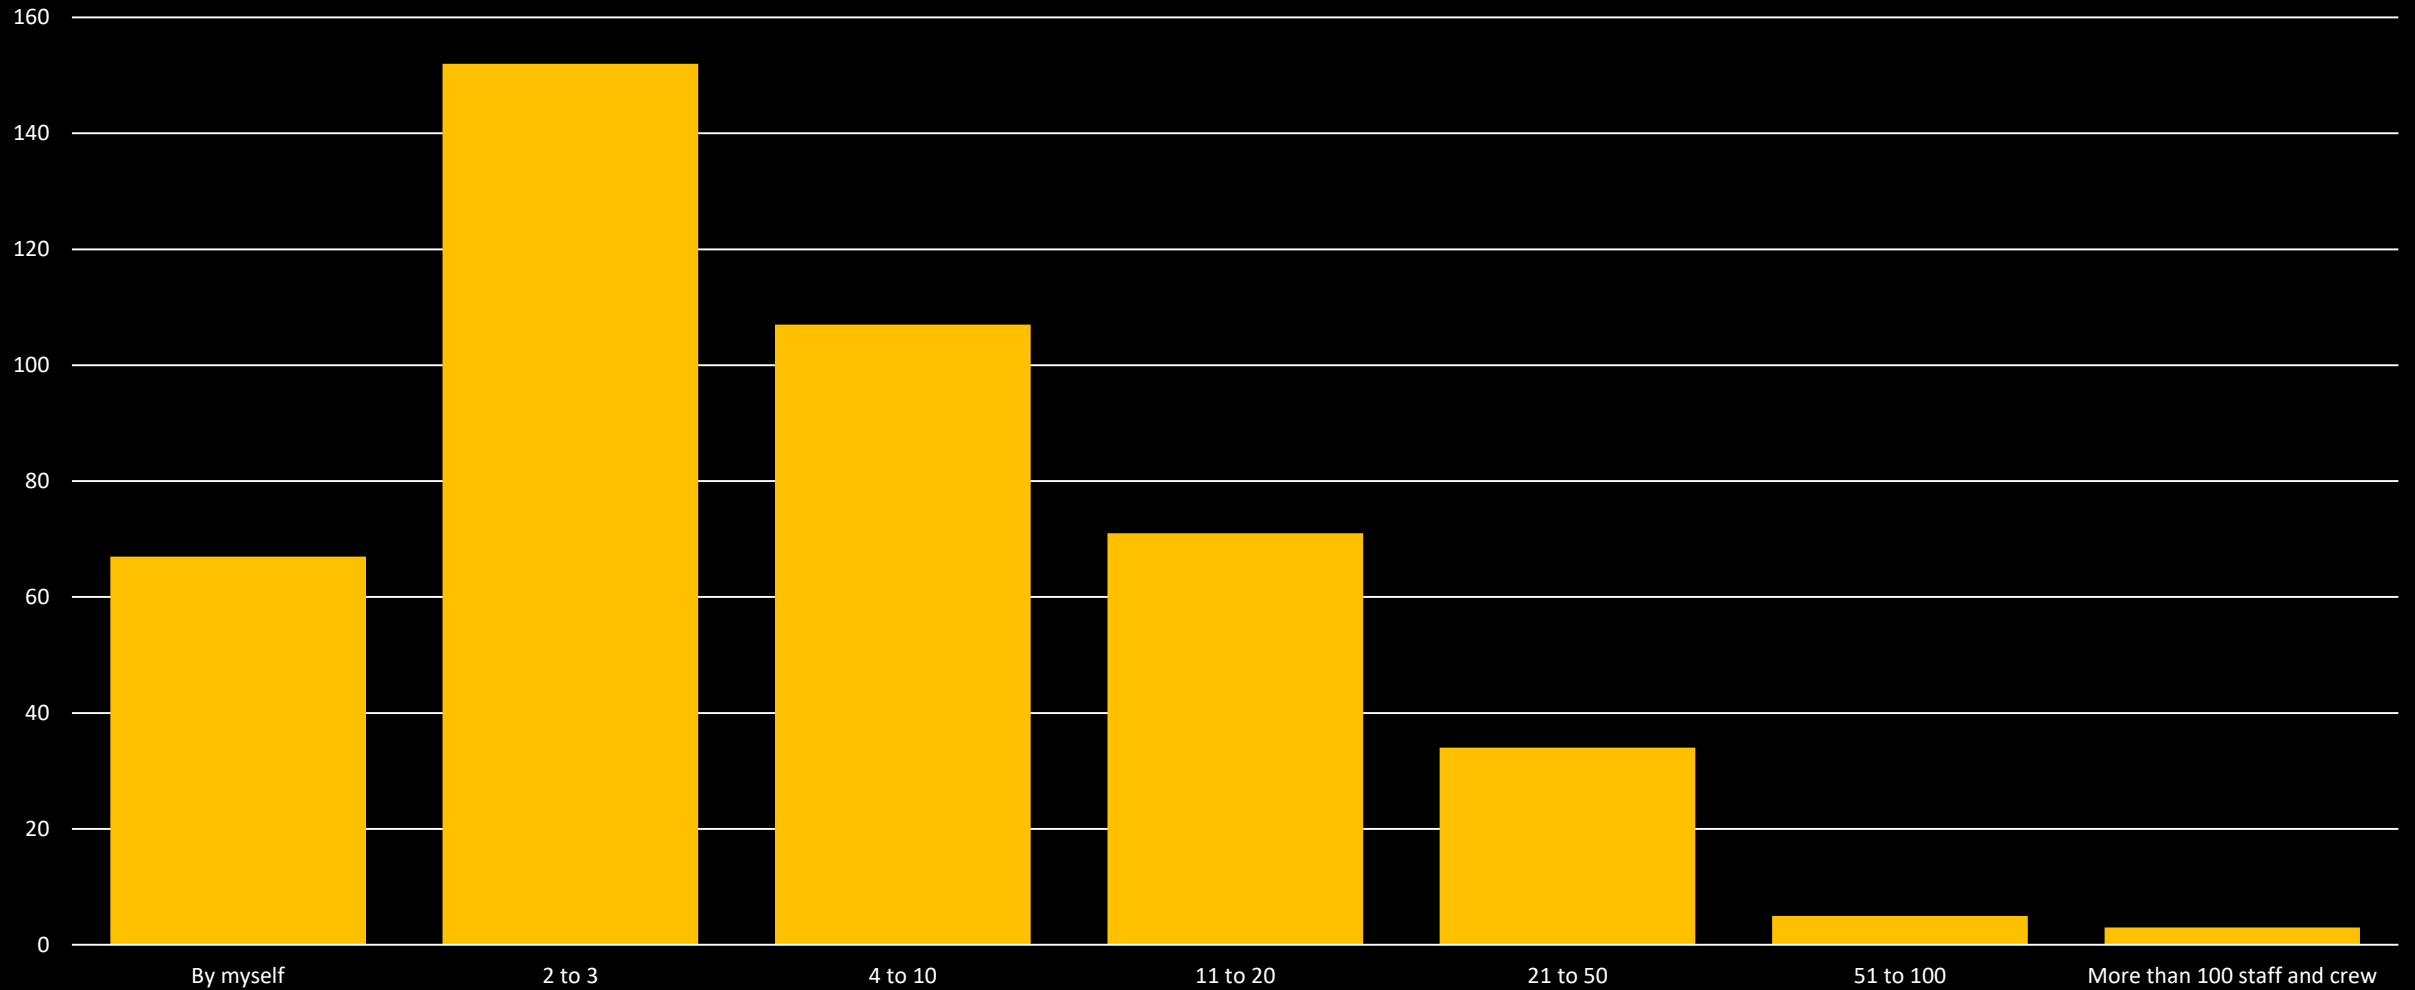

The creator

In the last 12 months, what were your roles in creating larps?

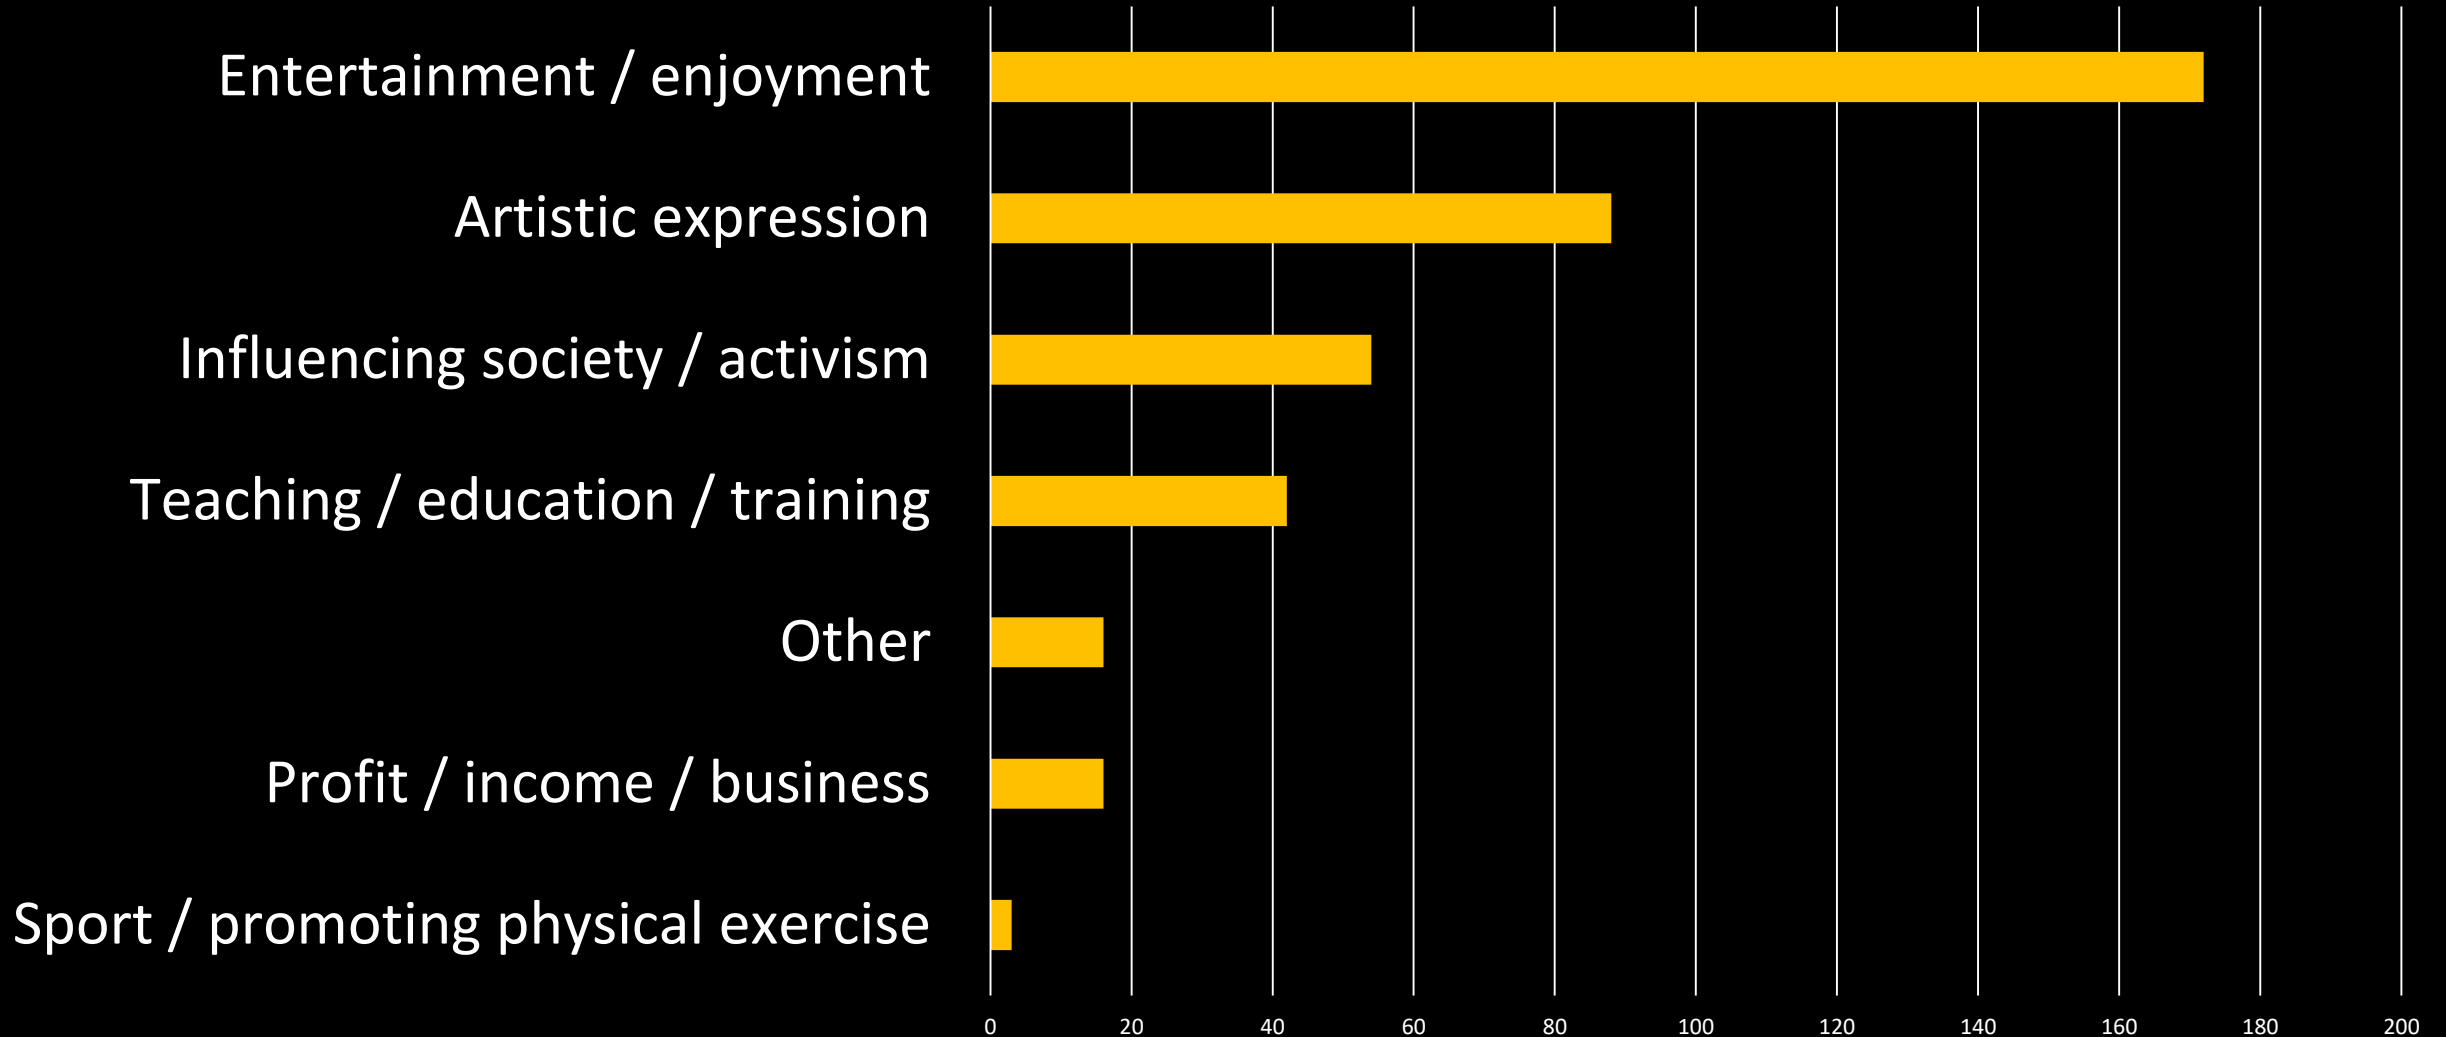

How many people helped create the larps you worked on in the last 12 months?

What is the primary source of your larp-related income?

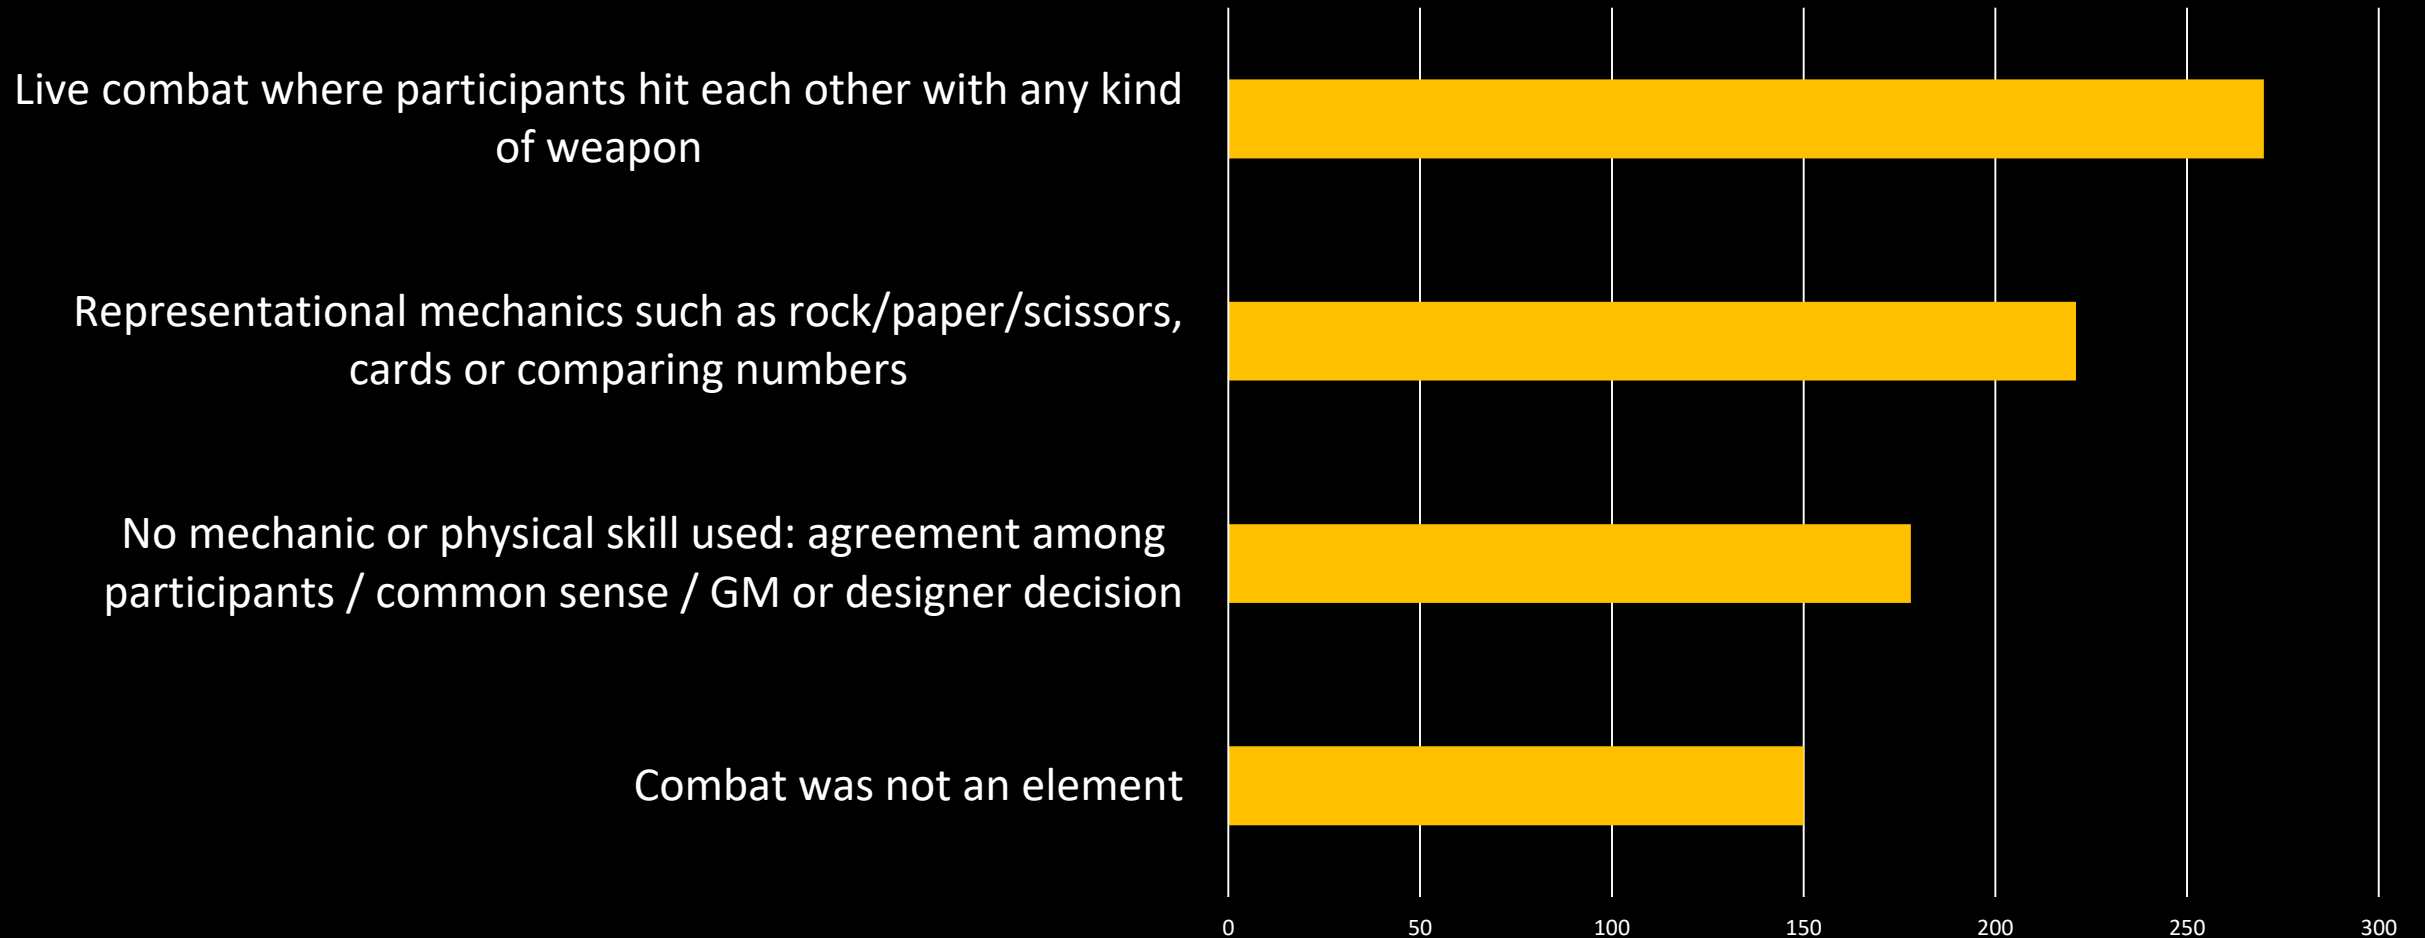

What were the purposes of the larps you have written in the last 12 months?

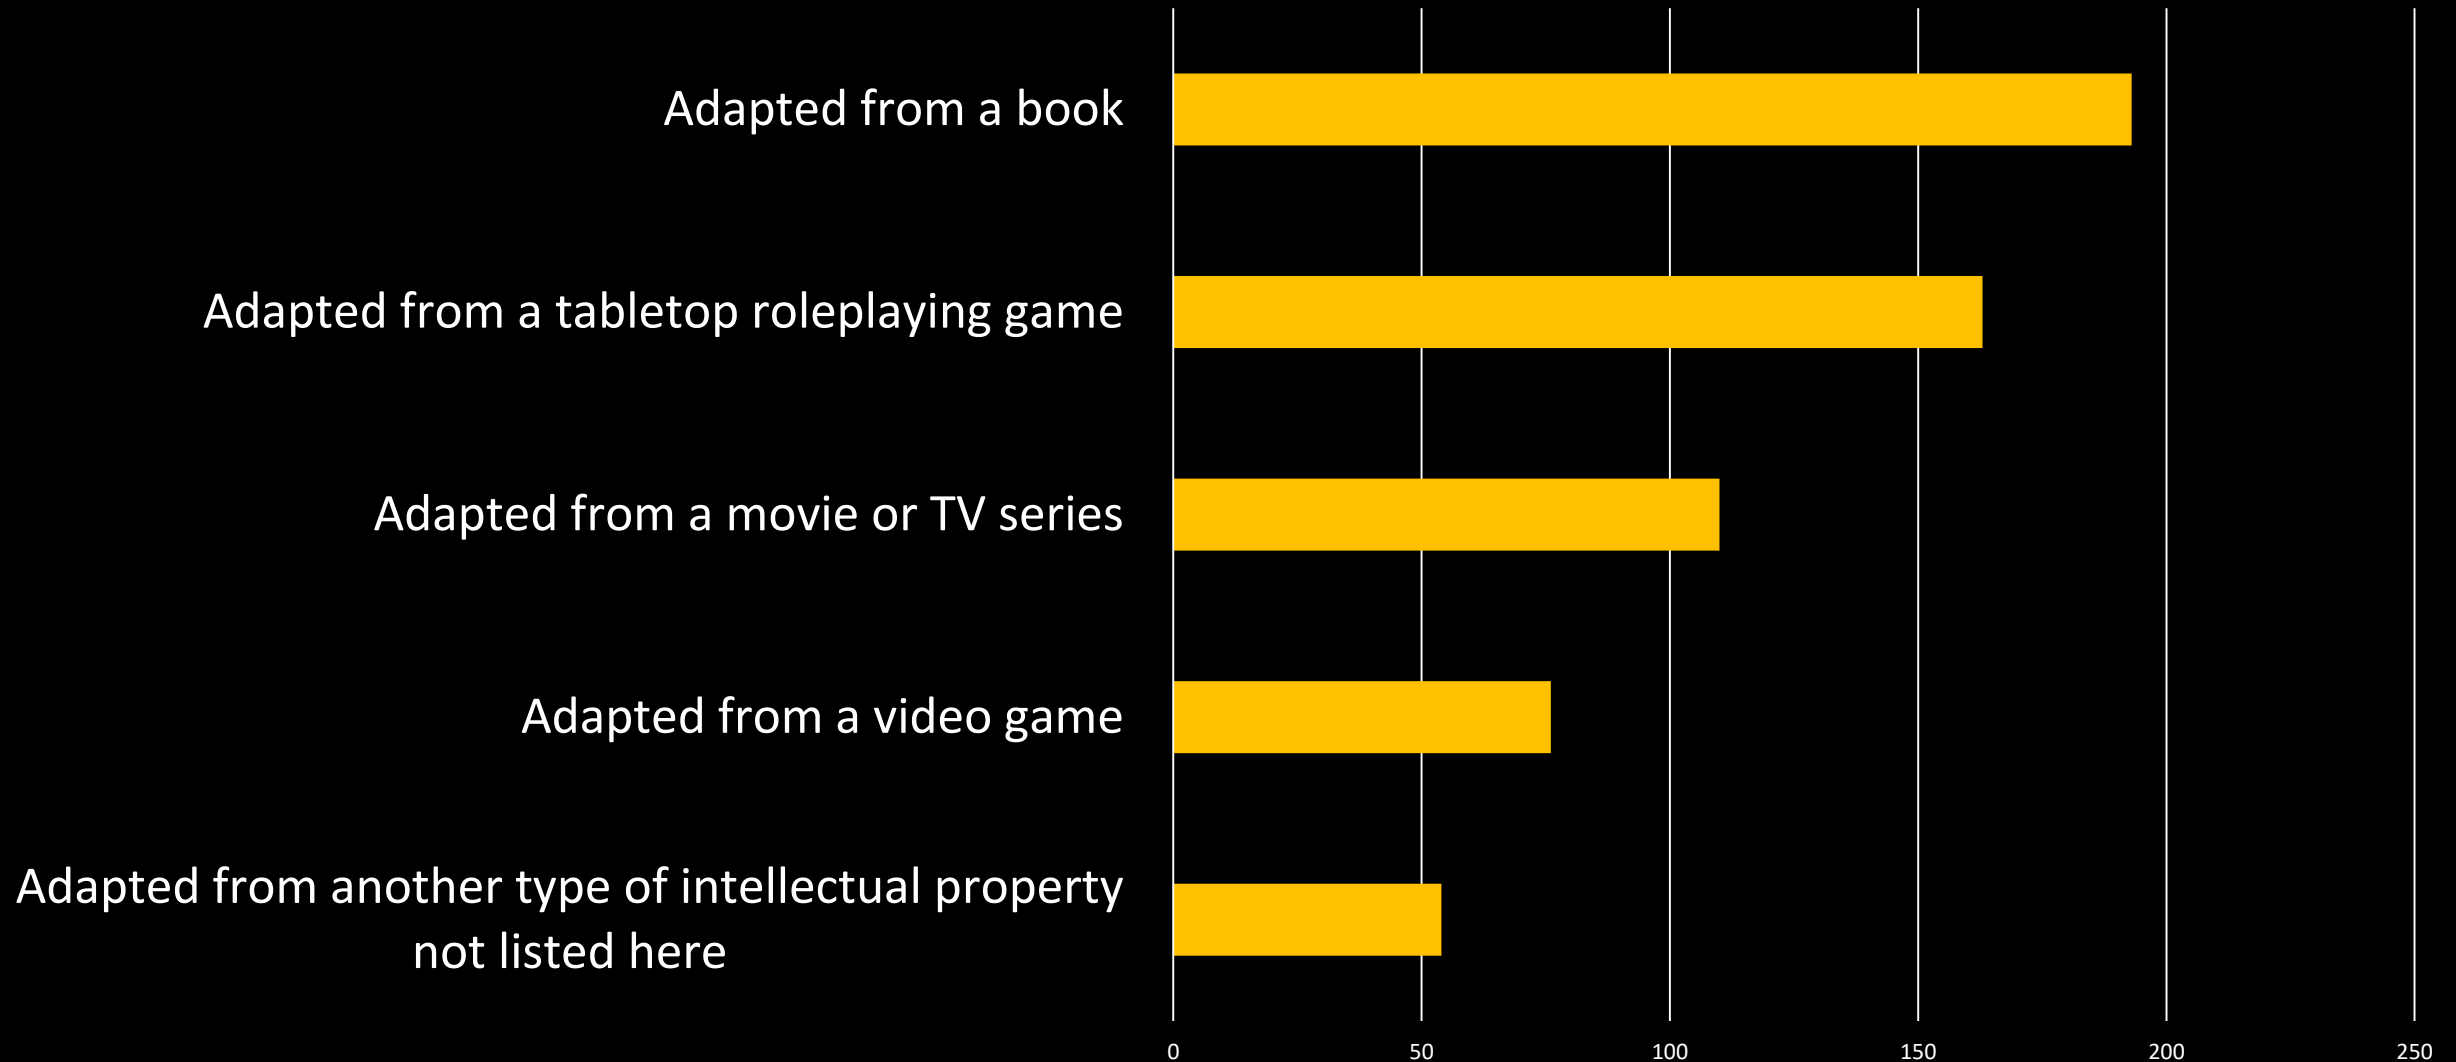

The Game

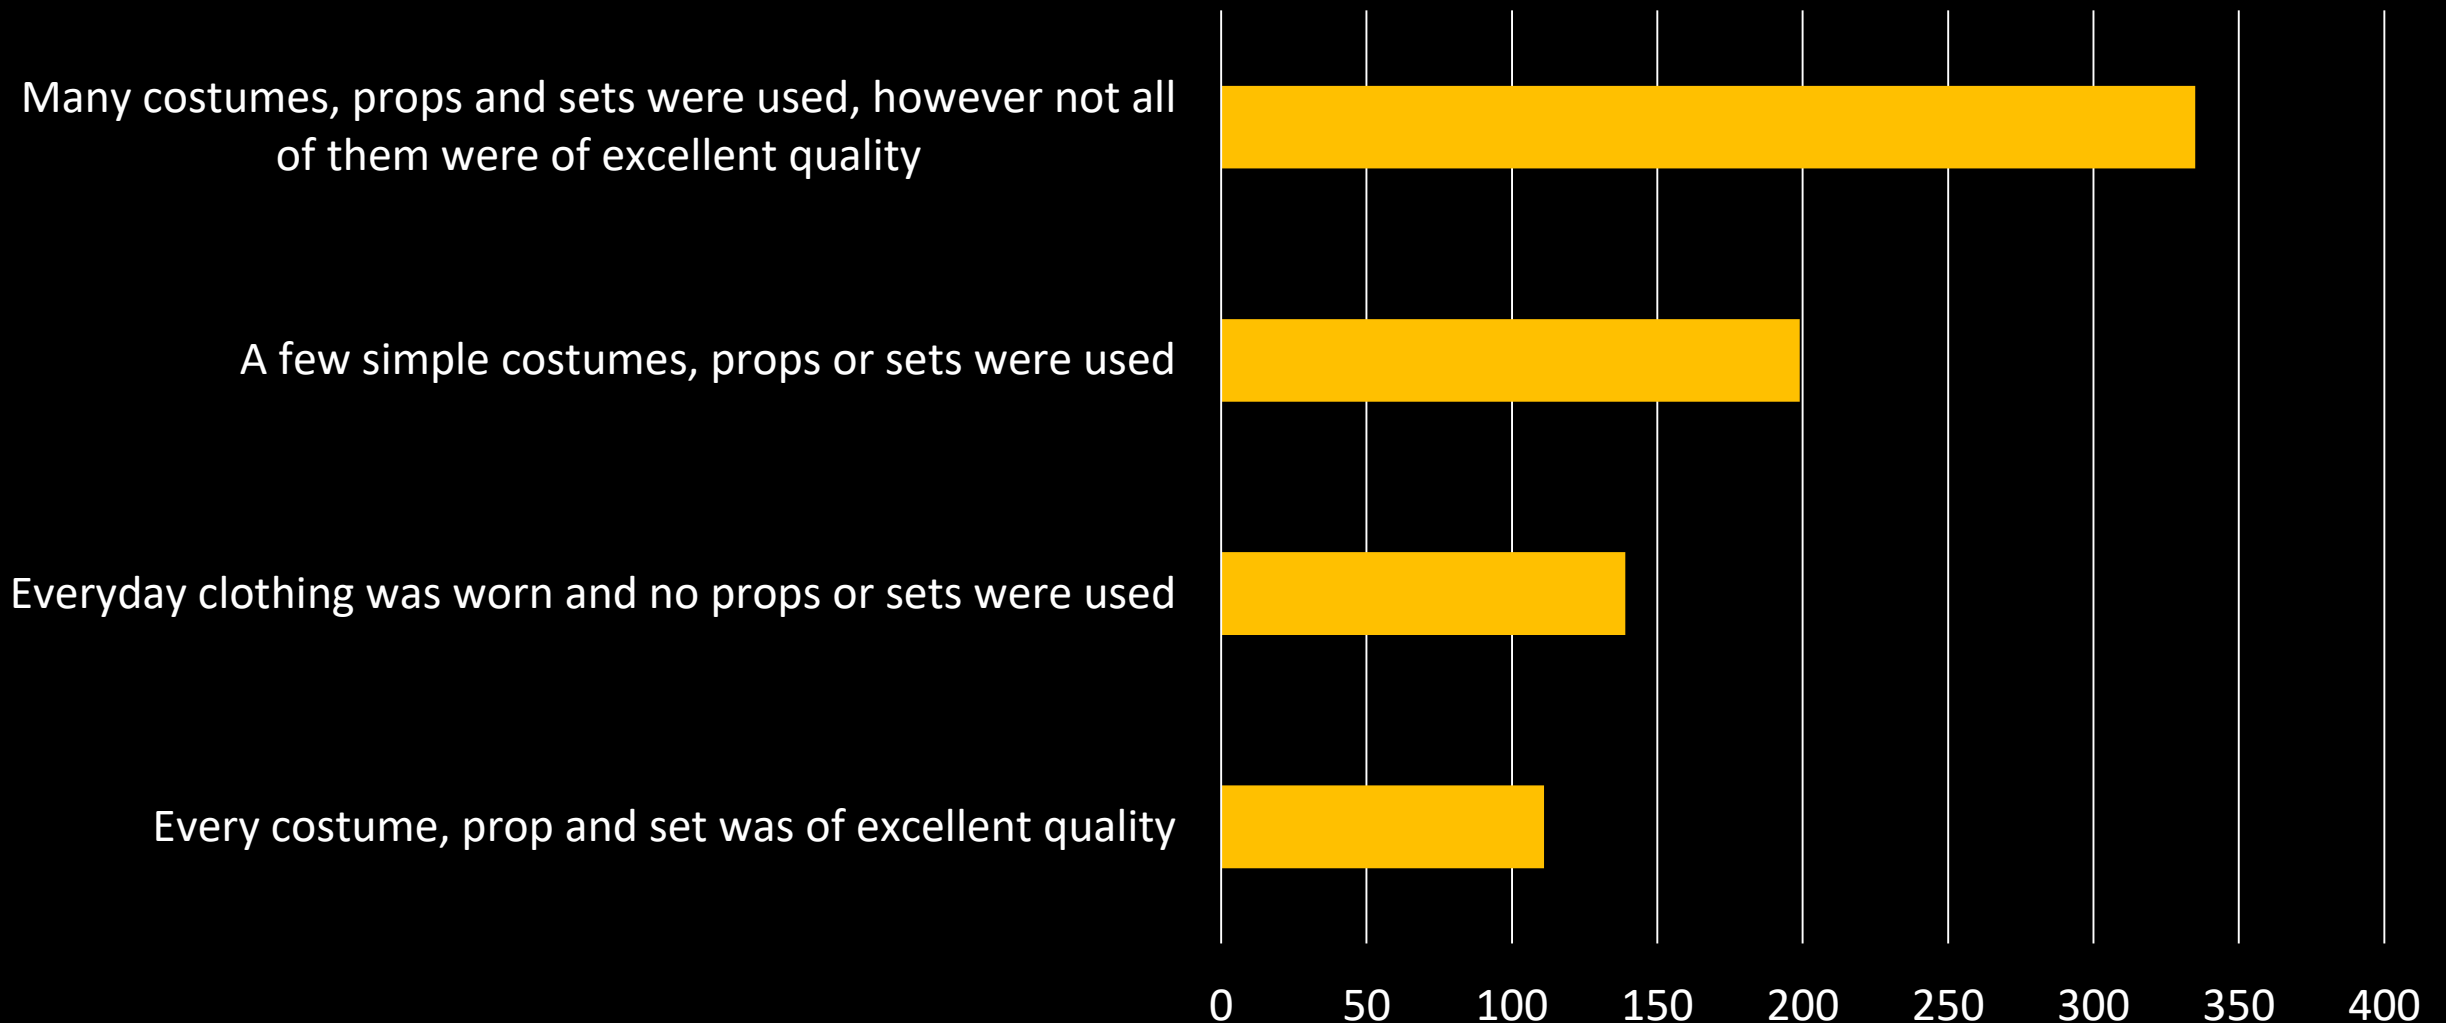

What rules have been used to determine the outcome of physical combat in the larps you have attended in the last 12 months?

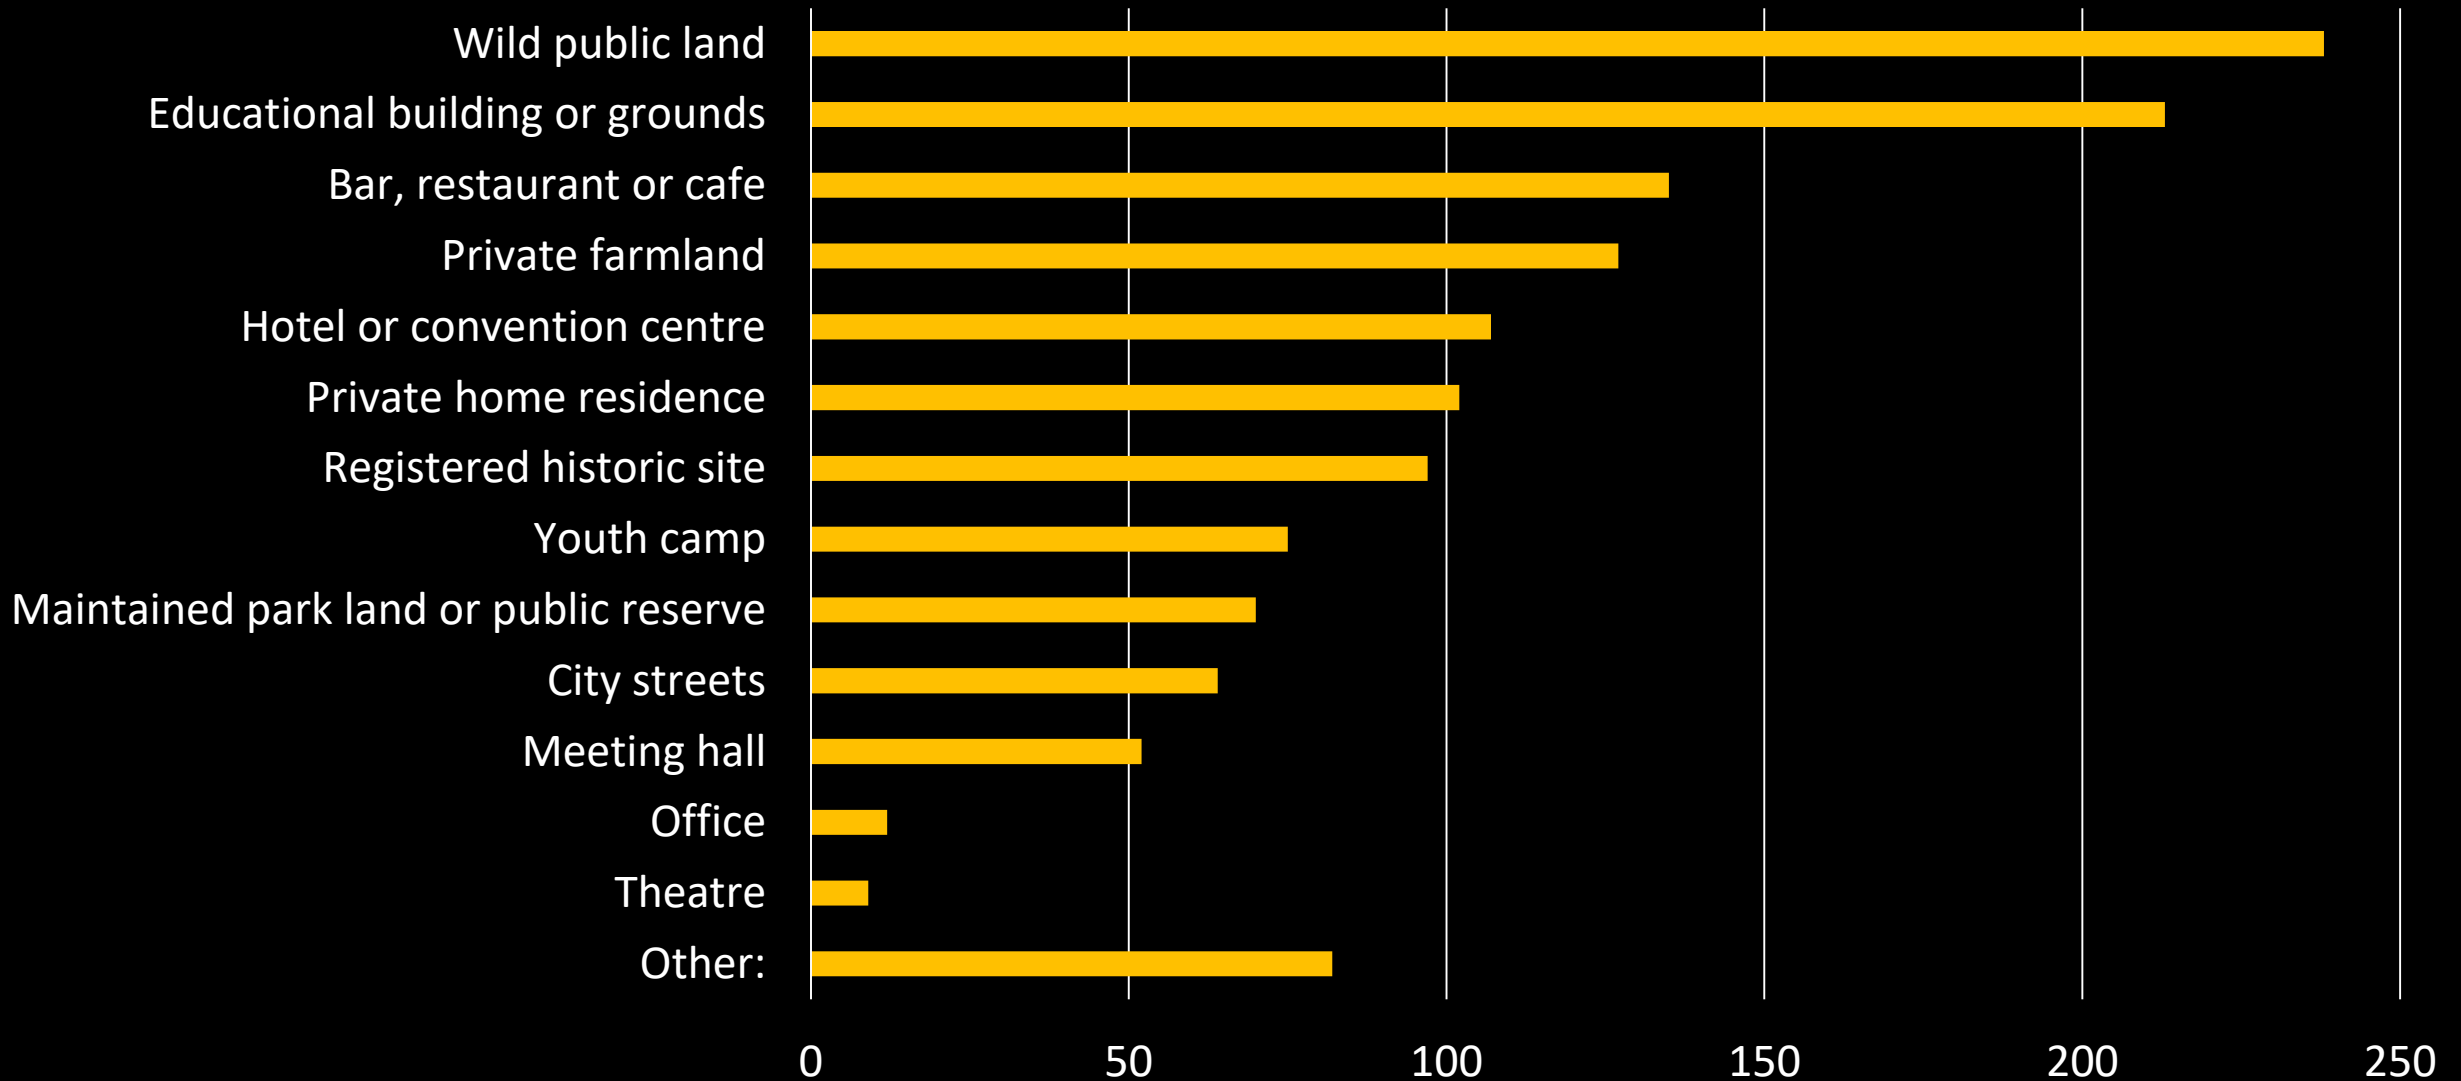

In the last 12 months have you gone to any larps that were based on existing intellectual properties?

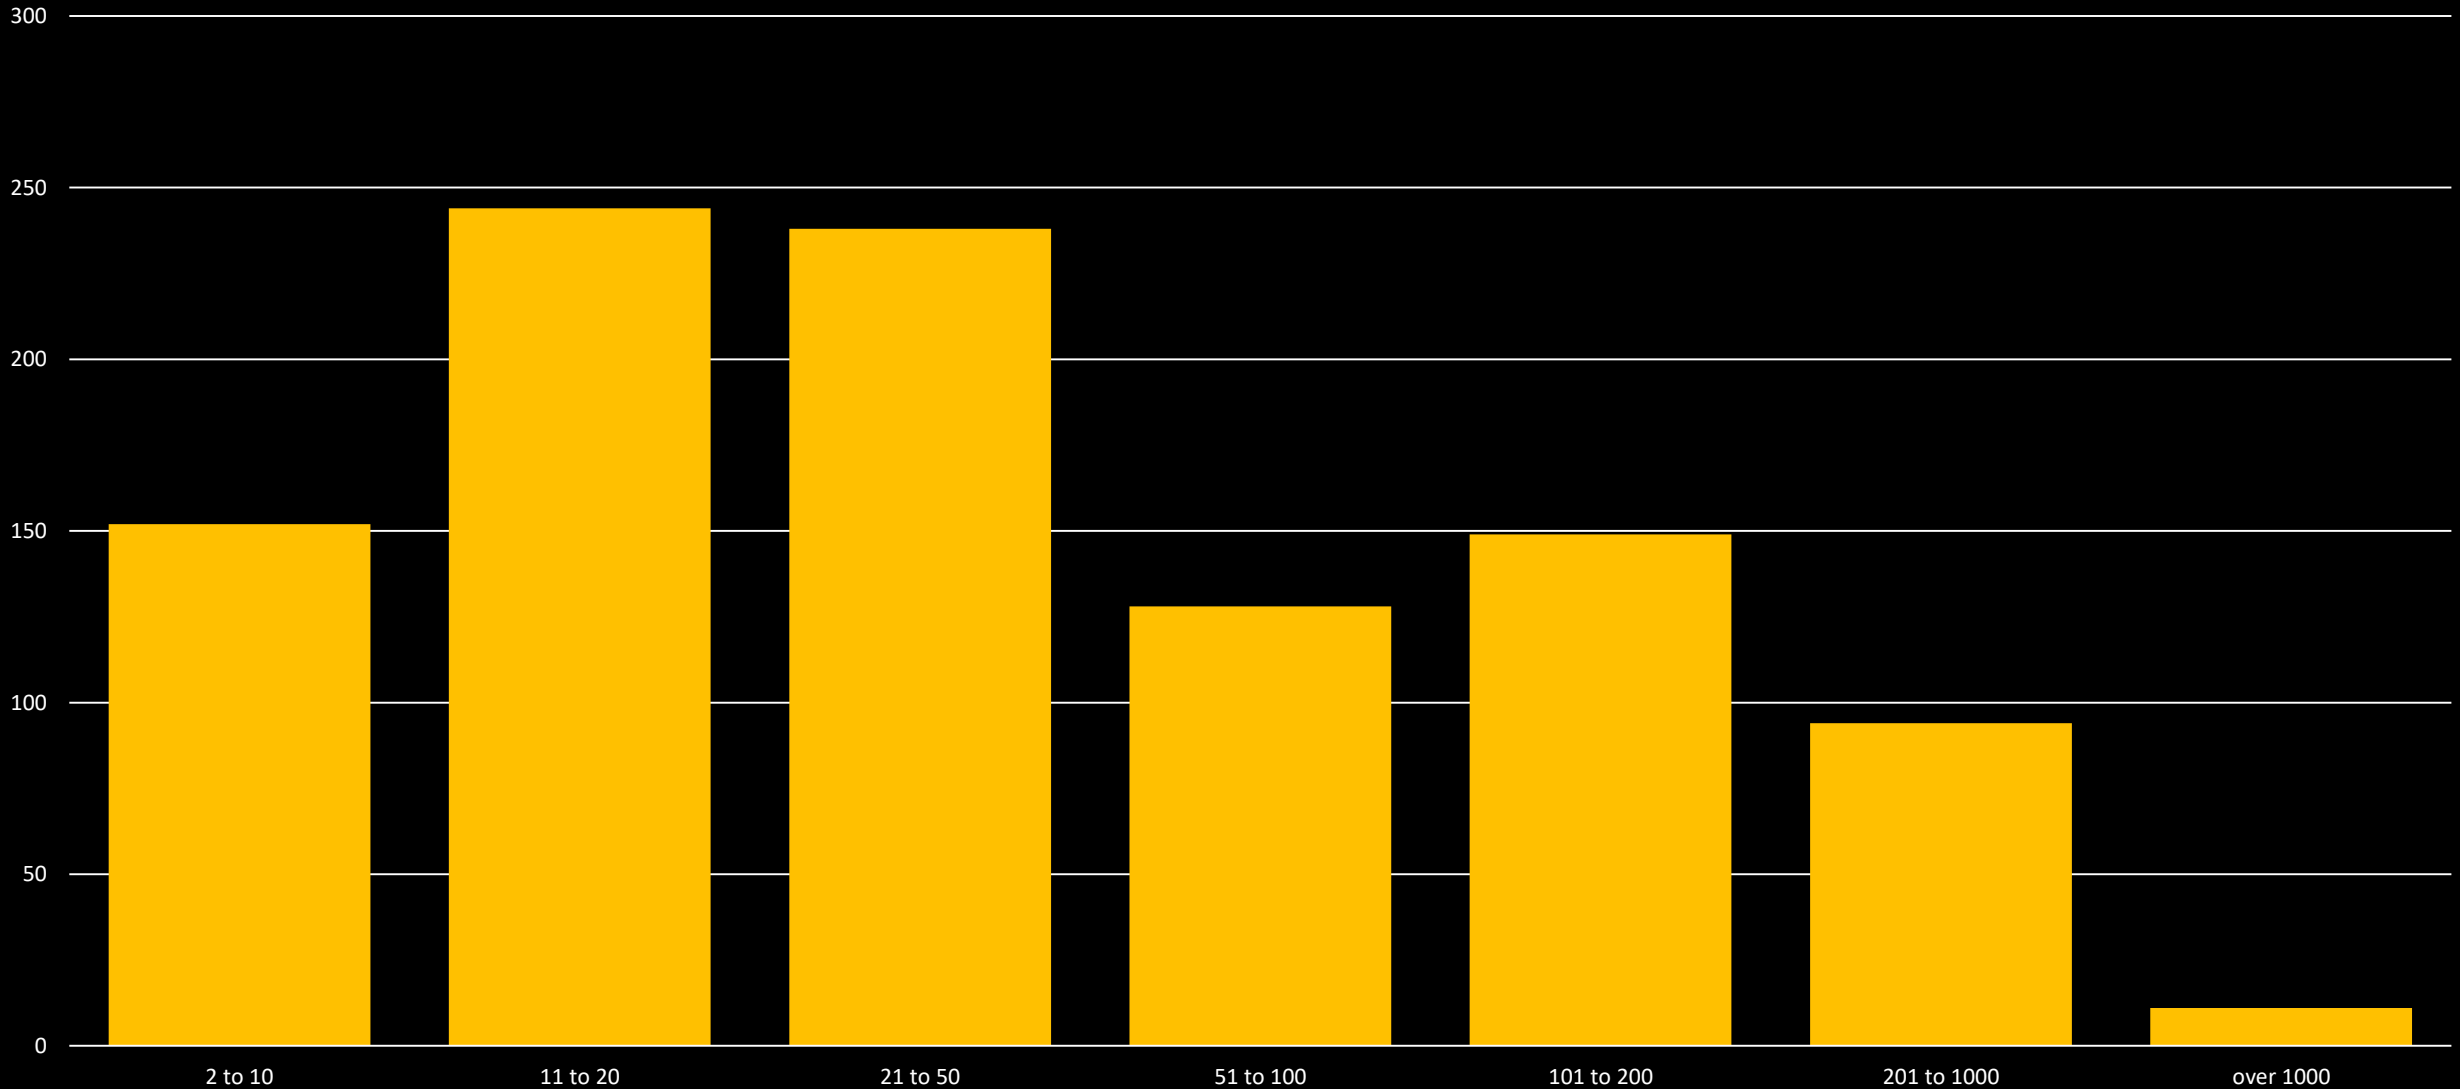

What production values have the larps you have gone to in the last 12 months had?

What venues were used by the larps you have gone to in the last 12 months?

How many people participated in the larp events that you attended in the last 12 months?

How satisfied are you with the quality of the larps you have played in the last 12 months?
